

MS740

MS740 Door Hold Magnet

Key Features

-  Fits behind the door when the door is open
-  Wall or floor mounted with foot bracket
-  Up to 50kg holding force
-  Ideal for light-duty internal doors

Product Description

This compact 50kg door hold magnet is designed to sit discreetly behind the door when it is held open, keeping walkways clear and uncluttered. It can be wall or floor mounted using a robust foot bracket, making it suitable for a wide range of installation scenarios. Ideal for light-duty internal doors where reliable door holding is required without visual intrusion.
